85L Tropical Ice Box

Tropical Ice Boxes, based in Caloundra on the Sunshine Coast, produce a new and exciting range of light weight Ice Boxes. These Ice Boxes are made from tough roto moulded food grade U.V stabilised Polyethylene. **Tropical Ice Boxes** come equipped with refrigeration grade ISO and Polyol insulation foam in all the right places.

Ice Keeping: **Tropical Ice Boxes** have more insulation and thicker walls than most fibreglass Ice Boxes, which means ice lasts longer (Dry Ice and Party Ice usable).

Strength: Modern technology allows for an Ice Box that will not chip, crack, craze or break. It is made from totally U.V. stabilised food grade Polyethylene.

Capacity: With your **Tropical Ice Box** you have the confidence in knowing that the size you purchase is the true size of usability capacity.

Coleman Pro Cat Catalytic Heater

This great little heater is ideal for caravans, cabins, camper trailers or tents. Totally portable, 3000 BTU heat output, runs up to 7 hours on one Coleman gas cartridge. This heater has the added advantage of a piezo push button lighting system, battery operated fan (one D size battery - not included) to circulate the warm air over a larger area and a broad, and a stable base to house the Coleman Gas Cartridge. Features: a ceramic plate that heats up, with the added safety of no naked flame.
